Catherine,

I just logged of from my standing meeting with IVB2. Perhaps, it might be good for me to finish preparing an update for the IO on various initiatives, and garner feedback, as necessary. Let me know if that works for you and the IO, in place of having the general today. Sorry about not being able to respond to you earlier, due to the IVB2 meeting.

Best,

Marion J.

Hi Marion,

I'm unsure if Marietta will have an opportunity to respond. She is likely to be swamped through COB Tuesday. I can still meet with you at 3pm today, if you would like.

Importance: High

Marietta,

Would you like for me to have Anita reschedule the general? I think your feedback on aldicarb from prior discussions with Mike G might be important. Any quick thoughts?
